“OLIVER” IN REVIEW

Another successful presentation from The Queensville Players! “Oliver” was very much enjoyed by our patrons and colleagues...not to mention the great experience by the cast and crew!

Ken Lloyd, Dee Lawrence, Tina Hurley and the cast and crew are to be commended for their efforts in making the show a success! We are very hopeful that the show will be a contender in this year’s ACTCO Festival (Association of Community Theatres of Central Ontario).

Many thanks to everyone involved and we hope to work with you again!

2009-2010 SEASON

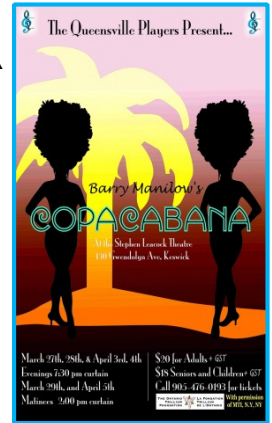

COPACABANA

March 27 –April 5th, 2009
Stephen Leacock Theatre,
Keswick

You know the song, but are you ready for the stage musical?!!

Her name was Lola. She was a showgirl... The Story of Lola unfolds from a young music composer's imagination. He allows the audience to travel with him on his quest for a hit song... This show very cleverly incorporates the title song by the incomparable Barry Manilow, into this exciting musical adventure.

The classic and unforgettable title song will take you back to a time when "music and passion were always in fashion" - especially in the life of a showgirl named Lola! You might know the title song but there are still lots of surprises waiting for you in this fun, energetic Musical!
